

PUBLIC NOTICE

The Retirement Board members (the “Board”) of the Norfolk County Retirement System (“NCRS” or the “System”) are seeking Requests for Proposal from investment management firms to manage up to 2% of the NCRS’s defined benefit plan in an **Open-Ended Infrastructure product**. Total assets of the NCRS were reported by the custodian to be approximately **\$1.0 billion** as of **September 30, 2018**; therefore, the NCRS expects to award **up to \$20 million** to the winning bidder.

The Board will consider only open ended vehicles; closed end limited partnerships or publicly traded investment vehicles will not be considered.

While the dollar amount of this allocation is expected to **up to \$20 million**, the actual dollar allocation will be determined as a percentage of the portfolio and may fluctuate with total portfolio market value by the time the mandate is awarded to the winning bidder. Please note that there is no assurances that the Board will ultimately commit this amount of capital.
